Premier Sports Campus set to host 17,000 during Premier SuperCopa national soccer tournament

Four-day tournament will be June 15-18

LAKWOOD RANCH, FL (May 22, 2023) – Premier SuperCopa – the elite, invitation-only soccer tournament for the most talented youth soccer players in North America – is coming to the Bradenton Area’s Premier Sports Campus (PSC) next month.

Organizers liken the tournament to “the Little League World Series for soccer” and they project more than 17,000 athletes, coaches, family members and fans will attend the four-day tournament, June 15 - 18.

The Premier SuperCopa, dubbed America’s Championship, is the highest level of competition in the U.S. for U9 - U12 competitive youth teams. The 2023 tournament will host 216 teams – more than 3,200 boys and girls – from around the country all competing to see if they “Have What It Takes.”

“This is another example of why Premier Sports Campus is a special asset in our destination,” said Elliott Falcione, Executive Director of the Bradenton Area Convention and Visitors Bureau. “This iconic national soccer event will bring a multi-generational clientele to our community, resulting in an economic stimulus for our hospitality industry.”

SuperCopa+, a national tournament of the best U13-U16 teams in the country, took place at IMG Academy in May, 2022. The tournament was so successful, event planners turned to PSC to host the Premier SuperCopa this year.
